The screenshot displays the ClearTrack 200 software interface. At the top, there is a navigation bar with a calendar for September 2011 and a 'Go To' section for Year (2011-2012) and Month (SEP). Below this, a sidebar shows a calendar grid for the month of September. The main content area is titled 'Create new Session' and includes a 'Hide Detail' button. The session details are as follows: Signed by 'jlennon' on 10/17/11 @ 3:56 pm, Countersigned by 'pmccartney' on 10/17/2011 @ 3:58 pm. The session code is '92507 TREATMENT OF SPEECH, LANGUAGE, VOICE, COMMUNICATION, AND/ OR AUDITORY PROCESSING DISORDER; INDIVIDUAL'. The 'Number of Units' is set to 1, with a 'Unit Value' of (1 per session). The 'Start Time' is 08:00 AM and the 'End Time' is 09:00 AM. The 'Setting' is 'Public School', and the session is marked as 'Individual'. There is a checkbox for 'Hard copy of Session Notes on file, Session notes do not need to be entered'. The 'Session Notes' field contains the text 'Enter session notes here'. At the bottom, it shows 'Created 10/17/2011 @ 3:54 pm by John Lennon, Last modified 10/17/2011 @ 3:58 pm by Paul McCarney'.
